Come and meet your intranet colleagues!

This is the first informal meeting of the UKeiG Intranets forum. If you are working in intranets and would like to meet your colleagues, this is the meeting for you. Our first meeting is a chance to look at other intranet home pages. Janet Corcoran, Imperial College London and Helen Davies from the TUC will be showing their intranet home pages.

We will also be looking for volunteers to host future meetings, in London or elsewhere. If you would like to attend this meeting, please contact:
